—CREATING MEMORIES WITH FOOD—

Owner's Philosophy

- All our foods are freshly made in-house, a meal where everything is *hand-crafted* by our most talented chefs in-house.
- We use real, **whole foods** and less of the ingredients.
- We refuse to compromise on quality. Therefore, don't use Deep Freezers, meaning thereby, our daily ingredients are sourced from local farmers' markets which are sustainably, locally, and organically grown.
- All our Mutton preparations, we *source only* grass-fed, humanely raised **BABY GOAT'S MEAT**.
- Our Dudhiya Malai Paneer is specially *Curated* from fresh milk and cream that is sourced locally and free of added growth hormones. We don't use artificial soya.
- All our meat and seafood are sourced locally and **ethically** from farmers and fishermen who raise and catch them, which are hormone and antibiotic free.
- We produce our **homemade**, preservative free shells of tacos, nachos, corn tortillas, pita bread, onsite throughout the day.
- All our dips, spreads, sauces, pastes for Guacamole, Baba Ghanoush, Hummus Salsas, Sour Cream, Sweet Chilli Kidney Bean Paste etc. are made by us *in-house* from fresh vegetables, chilies, *Bhai Spl.* natural seasoning & spices avoiding canned, bottled and pre-packaged ingredients containing preservatives or additives.
- All Indian cuisines are generally *Marinated* for 24hours before cooking. Left over are discarded.

We strive to create memorable experiences through the art of food, thereby curating your dream to fantasies through our food!
